42	Using speech recognition the stored speech material can be automatically and directly converted into character text. Currently available in Hungarian and English. Requires correction.	Automated writing down of voice recordings using speech recognition	ASZ153-01013300	433,33			10
43	Service application: makes the program suitable to be run as a service application (utility) on a server.	ABSONIC v2 service application	ASZ153-01013400	100,00			10
44	The meaning of a channel is a unique microphone or telecommunication channel. Price of higher channel numbers based on special agreement.	Multi-channel softwares (2)					10
45		2 channel software	ASZ153-01020100	200,00			10
46		4 channel software	ASZ153-01020200	300,00			10

No.	Short Description	Product denomination	Part number	Net price (EUR)	Qty.	Total net amount (EUR)	Delivery period (days)
47		8 channel software	ASZ153-01020300	433,33			10
48		12 channel software	ASZ153-01020400	566,67			10
49		16 channel software	ASZ153-01020500	700,00			10
50		20 channel software	ASZ153-01020600	833,33			10
51		24 channel software	ASZ153-01020700	966,67			10
52		28 channel software	ASZ153-01020800	1 100,00			10
53		32 channel software	ASZ153-01020900	1 233,33			10
54		40 channel software	ASZ153-01021000	1 433,33			10
55		48 channel software	ASZ153-01021100	1 633,33			10
56		56 channel software	ASZ153-01021200	1 833,33			10
57		64 channel software	ASZ153-01021300	2 033,33			10
58		72 channel software	ASZ153-01021400	2 233,33			10
59		80 channel software	ASZ153-01021500	2 433,33			10
60		88 channel software	ASZ153-01021600	2 633,33			10
61		96 channel software	ASZ153-01021700	2 833,33			10
62		104 channel software	ASZ153-01021800	3 033,33			10
63		112 channel software	ASZ153-01021900	3 233,33			10
64		120 channel software	ASZ153-01022000	3 433,33			10
65		128 channel software	ASZ153-01022100	3 633,33			10
66	Total net amount (EUR):						0,00

* We suggest this option to use ABSONIC v2 as voice recorder with ABS-P SM remote control. This remote controller is found in the add-on price list. (remote controller not included in price).

** The delivery period may be modified depends on ordered quantity, stock and other conditions in the course of concrete ordering.

Net sum total will appear in the bottom of spreadsheet.

You must purchase the basic software in case of single-channel recording, because other options based on it.

All prices are net price, VAT is not included. (VAT within Hungary 27%)

If you are not sure about how can you choose the appropriate options, write your questions to us with confidence.

- 1) Do not purchase the options in bold rows (1.,2.15.) in case of multichannel recording, because those includes.
- 2) Select one row only. Please consult with us when you would liket to purchase greater channel number than 128, because the price depend on a special agreement.

The Funictons in grey background are under development.
